Corey Weathers

“When I started in tech, I was sure that I would happily spend my entire career as a developer. That lasted about five years. While I still love the tech world, I’m ready for new kinds of excitement in my career. An MBA from Berkeley-Haas is helping me uncover and rediscover what really motivates me.”

EVENING & WEEKEND MBA EXPERIENCE

**Customized**
Tailor your course of study beginning in your second year by choosing from a selection of elective courses that comprise nearly 50 percent of the curriculum. Looking for global experience? Our International Business Development elective gives you the opportunity to spend two weeks abroad, working directly with international clients.

**Flexible**
The program is designed for completion in three years, but may be completed in as little as two and a half years. Students may take electives in the full-time MBA program as well as in other graduate programs at Berkeley.

**Community**
Your future peers are an impressive and diverse lot. Each student we admit is talented, driven, and accomplished in his or her field. You may even learn as much from your classmates as you do from your professors. And our collaborative culture ensures your colleagues will fully support you as you balance work, school, and home life.

**Campus-Based**
Though you may be studying part-time, you have full access to all the university has to offer. Immerse yourself in Berkeley-Haas and UC Berkeley campus life by connecting with students in our other acclaimed programs and accessing cutting-edge research centers, campus clubs, and leading speakers.

“My classmates are diverse, accomplished and dynamic. I can’t believe how so many high-caliber individuals came together in one place…Their contributions to classroom discussion enrich the lectures; we learn as much from each other as we do from the planned syllabus.”
Question the Status Quo

We lead by championing bold ideas, taking intelligent risks, and accepting sensible failures. We make a habit of asking, “Isn’t there a better way to do this?”

Confidence Without Attitude

We make decisions based on evidence and analysis, giving us the confidence to act without arrogance. We lead through trust and collaboration.

Students Always

We know we always have more feedback to hear and more opportunities to grow—even at the peak of our careers.

Beyond Yourself

We are stewards of something larger than our own lives and careers. We take the longer view in our decisions and actions.

While the Haas School of Business develops leaders who redefine how we do business, these four Defining Principles embody both what we stand for and how we stand out.

“My wife and children are ecstatic that I will be taking two evening classes this fall, because that means I will be home again on Saturdays. The flexibility of the Berkeley-Haas Evening & Weekend MBA Program makes it a bit easier to be a good student, a good dad, and a good husband.”
